

Pleasant Hill Spring Music Program

Dear Parents and Guardians,

The 2018 Pleasant Hill Elementary Spring Program is almost here! On **Thursday, May 10th** at **7:00pm** our **3rd, 4th, and 5th** grade students will be performing at the **North Montgomery High School Auditorium**. Please have your child arrive **around 6:45pm** so that they may be seated in the correct places before the show. I anticipate the program lasting about 30 minutes. Please have your child wear nice spring clothing. It doesn't have to be the nicest thing they have, but we would appreciate clothing that does not have words or pictures on them. Think "Sunday School" attire. Please use your best judgement. Thank you for supporting your child in their education and we can't wait to perform for you!
