

Pleasant Hill Elementary School

• July 2019 Newsletter •

HELLO!

My name is Mrs. Jennifer Moseley, and I am Pleasant Hill Elementary School's new Principal. My husband Jeff and I have lived in Montgomery County for nearly 25 years, and we have seven children ranging in ages from 23 to 8 years old. We are proud that our children have all been students of NMCSC where I have had the privilege of teaching for the past 10 years. With the 2019-2020 school year approaching fast, I am both excited and humbled to continue working within this great school community. I can assure you that I share our district's dedication and commitment to putting children at the center of our work in education, caring for our students every day while providing them with a safe and meaningful learning environment.

Jennifer Moseley

* Renovation Update *

This summer Pleasant Hill's renovation has continued at full throttle! There have been major transformations to nearly all areas of the building, and we look forward to sharing more with you as we start the upcoming school year!

Please watch for important information to come at the end of July in case there are any school procedural changes that might take place if construction is not completed before our doors open on August 6th.

Staff Updates

There are a few staff changes to share for the upcoming school year. Mrs. Whitney Rice will be returning to PH in a new role as our Special Education (K-2) teacher and Mrs. Tammy Meyers will be shifting to Special Education (3-5). Also, with the addition of our three-year-old Preschool, Mrs. Kalie Standish and Mrs. Natalie Fritzen will join our amazing team of Preschool teachers!

We are thrilled to be offering after school care at Pleasant Hill this year through AYS, which was previously offered at Northridge. Please view the attached [NM AYS Flyer](#) or visit www.ayskids.org for more information.

New Student Registration will be at North Montgomery High School on July 25th from 9 a.m. to 4 p.m. This registration is for anyone who has moved into our district. Please share this information on to any new family that has moved into our district over the summer!

We encourage you to continue to support your child's learning and growth over these summer weeks. If you have internet access your students can go to the school website phes.nm.k12.in.us for many of their favorite educational game or study sites. The Linden and Crawfordville Public Libraries are other great resources for reading and fun summer programs!

dates to Remember

July 1st -July 14th : Pleasant Hill office will be closed

July 15th : Pleasant Hill office will re-open. Office hours - 8-3 p.m.
