

Dear Pleasant Hill Families,

The 2018-19 school year is right around the corner and I hope everyone is having a joyful summer. We are excited to see our students again and start working together for an incredible year demonstrating The Cardinal Way. We are going to be working extremely hard creating amazing student achievement and life-long learners at Pleasant Hill Elementary School.

It has been a busy summer with some minor changes in staff and grade level responsibilities. We have hired a new Art teacher, Mrs. Monnett who will return to us full time at Pleasant Hill Elementary School. We have also added a new Early Learning Academy teacher, Mrs. Carpenter, and a second grade teacher, Mrs. Dark. In addition to some new faces, some classrooms have changed locations due to the very exciting renovation project at Pleasant Hill Elementary School starting in the late fall. We have been able to make some adjustments to avoid moving students and teachers in the middle of the year and we are grateful.

Your student's information regarding their new classroom teacher and bus assignment will be available August 2<sup>ND</sup> on Powerschool shortly after new student registration which is on July 26th. Supply drop off and an opportunity to meet your new teacher for grades Kindergarten through fifth grade will be held on August 6<sup>th</sup>, 2018 from 3-4 pm. Please make an effort to join us for this evening that will provide opportunities for you and your child to meet teachers and visit their new classroom. This will also allow you to drop off any supplies that you do not want them to carry on the bus on the first day of school. This is an open door night to provide an opportunity to step in the building and drop off any items.

We have an open house scheduled for August 23<sup>rd</sup> from 5:00 p.m. to 6:00 p.m. This particular evening you will get the opportunity to review important information about your child's academic opportunities and classroom structures with the teacher. This evening is designed for parents only.

Please enjoy the remainder of the summer with your amazing children. I am looking forward to a great year of growing and learning at Pleasant Hill Elementary School.

Your friend in education,

Anthony Tharp  
Principal

# PLEASANT HILL ELEMENTARY
